To: Graham Barnes

Dear Graham Barnes,

To reset your password, go to the [link](#) below and follow the instructions on the page. This link will remain active for 1 hour.

[Forgot Password Page](#)

If you have any questions about using Croner Simplify, please call technical support or email cts@wolterskluwer.co.uk

5. The following page should appear. Follow the instructions on the format of the password and click on 'Submit'. The password should now have reset successfully and you can now head to the login page to log in.

A screenshot of the Croner Simplify password reset interface. The page has a green header with the "Croner Simplify" logo. The main content area is white with a green border. It includes a "Reset password" section with a user name field (GrahamBarnes), "New password" and "Confirm password" input fields, and a "Password Security" section with a "Question" dropdown (Name of Your first school?) and an "Answer" input field. A "Reset password" button is at the bottom right. A yellow callout box titled "Password format" is overlaid on the "New password" field, listing requirements: "Be at least 8 characters long", "Contain at least one uppercase letter", "Contain at least one lowercase letter", and "Contain at least one number". A smiling woman wearing glasses and a headset is visible in the background on the right side of the screenshot.
